

# **Dashboard**

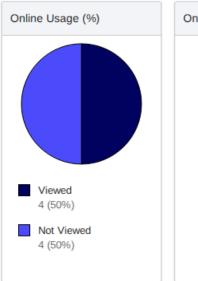

Last Modified on 10/24/2025 1:41 pm PDT

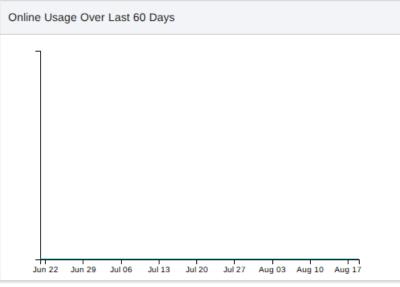

The Dashboard is the central hub where you can view login activity, monitor utilization, and download key reports such as Login Records, Print Statement Activity, and the Executive Report.

#### **Usage:**

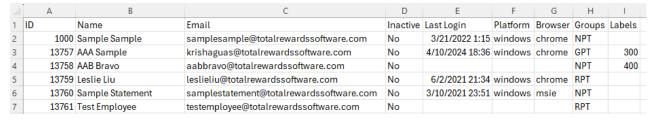

Displays a graph and percentage of employees **who have viewed vs. not viewed** their statement.

#### **Utilization:**

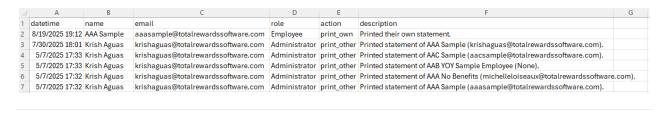

Provides a detailed report of employees who have and have not viewed their statements. You can also download a .csv report with details such as Employee ID, Name, Email Address, Inactive (Yes/No), Last Login Date, Platform, Browser, Groups and Labels if applicable.

## **Statement Activity:**

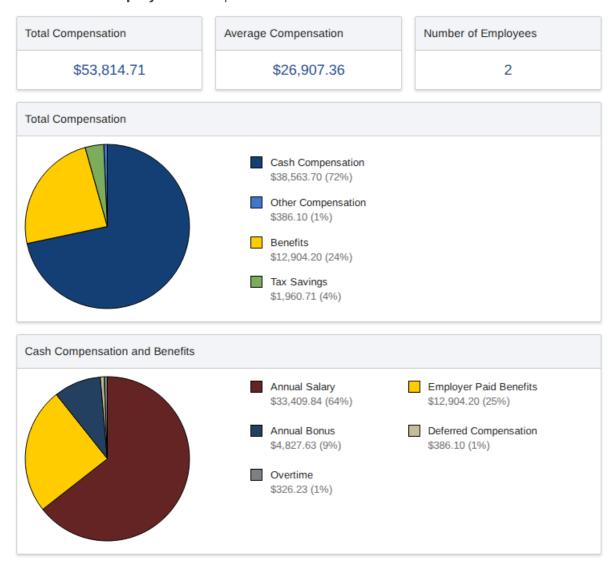

Report logs when and by whom employee statements are printed. The .csv report includes details such as Date/Time, Name, Email, Role, Action, and Description.

## **Compensation:**

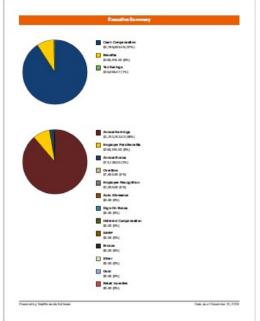

Displays **charts and breakdowns** of company compensation: cash compensation, benefits, other compensation, and tax savings. Also shows **Total Compensation**, **Average Compensation**, **and Number of Employees** for a quick overview.

### **Executive Report:**

A **branded report** with your logo and colors outlining the programs offered and their **participation ratio**. Designed for **reporting** and **presentation purposes**.
