

Cash Compensation

Last Modified on 07/02/2025 10:15 am PDT

Cash Compensation section displays pay programs that are set to automatically suppress on "0" or when there is no value populated in the field.

□

To add a cash compensation program:

Go to **Programs**

Choose **Cash Compensation**

Select **New Program** edit the **Unnamed** field

□

Repeat the same process to **add** more programs.

Click Up and Down **arrows** to reorder

Then hit **Save** button.

Note: Cash compensation programs automatically suppress on "0"

To delete a cash compensation program:

Click **Gear** to remove

Choose **Remove**

Pop-up window will appear, hit **Delete Program** button

Click **Save** button
