# Cash Compensation

Last Modified on 10/16/2025 3:45 pm PDT

The **Cash Compensation** section displays pay programs that are automatically suppressed when the value is **"0"** or when no value is populated in the field.

🔧 Add or Modify Cash Compensation programs:

1. Go to **Programs**.
2. Choose **Cash Compensation**.
3. Select **New Program**, then edit the **Unnamed** field.
4. Edit an **existing program** by clicking its field.

5. Repeat the same process to add more programs.
6. Click the **Up** and **Down arrows** to reorder.
7. Click the **Save** button.

> 📝 **Note:** Cash compensation programs automatically suppress when the value is "0".

⚡ **Quick Steps:** Programs → Cash Compensation → New Program/Edit → Reorder with Arrows → Save

🗑 Delete a Cash Compensation program:

1. Click the **Gear icon** on the program.
2. Choose **Remove**.

3. In the pop-up window, click the **Delete Program** button.
4. Click the **Save** button.

 Note: Once deleted and saved, the program cannot be recovered. If you remove it by mistake, you'll need to recreate it manually.

 Quick Steps: Gear Icon → Remove → Delete Program → Save
