

Other Compensation

Last Modified on 07/02/2025 10:23 am PDT

Other Compensation section will display programs that may relate to other incentives or benefits that are offered. This section displays directly below the Cash Compensation section and adds to the Total Rewards Value. All values are automatically suppressed on "0".

□

Go to **Programs**, then choose **Other Compensation** from the drop-down to benefits programs.

□

Change the **Title** if applicable

Then click **New Program** and enter the **Program Name** on the **Unnamed** field.

Repeat the same process to **add** more programs.

□

The above is a recommended layout for LTIP. Adding an Additional Column will allow us to show the other details.

Then hit the **Save** button.
